Fall Priority Registration

When your child attends our 10-week summer session, you will receive priority registration for our fall classes! This means that you will receive your class choice before those that are not attending for the summer. This increases the chances that you will get the class that you want. Priority Registration is July 27th-30th. Simply turn in your fall registration form and payment to FLIPS by July 30th to be eligible.

Students will be evaluated in July, so parents will know which class to register for this fall. Registrations received after July 30th

will be taken with all other registration forms. Fall brochures will be mailed out after July 5th.

When you register for classes for the fall you are registering for the entire school year-September through May.

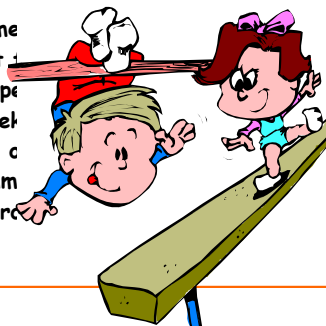

Don't delay, when you get your brochure, fill it out, and be ready for **PRIORITY REGISTRATION JULY 27th-30th**

CAMP FLIPS

Have you signed up for **CAMP FLIPS YET?!** Camp FLIPS is our summer day camp for boys and girls ages 6-12. Camp hours are from 8am to 5pm and includes structured gymnastics activities, educational games, weekly themes, daily snack field

trips and more! You may register for 1 day, one week or the whole summer so its not too late! Cost of Camp FLIPS is \$35.00 per day or \$160.00 per week! Don't let your kids miss out on a great week of summer camp! Register at the front office today!

Unlimited Make-ups

Reminder that FLIPS has unlimited make-ups in the summer. If your child has to miss their regularly scheduled class due to vacation or other scheduled activities, then just call or stop by the front office to schedule a make-up for the missed class.

Your child would then come an extra time the week that the make-up is scheduled.

Unlimited make-ups are a summer only perk and make-ups cannot be carried over to the fall. Classes begin June 15th. FLIPS will **not** be closed 4th of July week and will have all regular classes as scheduled. The last day of summer classes is Thursday Aug. 20th.
